RE: Dominion Energy South Carolina, Incorporated's Establishment
of a Solar Choice Metering Tariff Pursuant to S.C. Code Ann.
Section 58-40-20
Docket No. 2020-229-E

Dear Ms. Boyd:

This afternoon the South Carolina Coastal Conservation League, Southern Alliance for Clean Energy, and Upstate Forever (collectively, the "Movants") requested that "the deadline [for proposed orders and post-hearing briefs in the above-referenced docket] be extended from April 5, 2021, to April 12, 2021, assuming a transcript is made available...by April 2, 2021." The Movants further indicated that "[i]f the transcript will not be available by April 2, 2021, Movants would request a further extension of the deadline." Movants further indicated that Dominion Energy South Carolina, Inc. ("DESC") did not object to this request. For clarity, DESC stated that it does not object to a one-week extension to April 12, 2021. DESC has not consented to (and has not stated that it does not object to) any further extension beyond April 12, 2021.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in blue ink that reads "Matthew W. Gissendanner".
